Re: Freedom of Information Act Request EPA-R9-2015-005728

Dear Mr. Carlin:

This is in response to your Freedom of Information Act ("FOIA") request regarding: parachlorobenzene sulfonic acid ("pCBSA" or "p-CBSA"). Pursuant to communications with Taly Jolish (Office of Regional Counsel), you agreed to limit this request to email communications (including attachments) created, sent, or received between November 1, 2014, and April 30, 2015, for the custodians listed below (with a priority on the first seven of these):

Barton, Dana  
Diaz, Alejandro  
Lyons, John  
Manzanilla, Enrique  
Sanchez, Yolanda  
Wetmore, Cynthia  
Yogi, David

Chavira, Raymond  
Jolish, Taly  
Mayer, Kevin  
Minor, Dusty  
Moore, Letitia  
Stralka, Dan

As agreed, EPA will be providing responsive documents on a rolling basis. These limitations do not prevent you from submitting any future FOIA request.

The first set of responsive, releasable documents have been uploaded to EPA's FOIAOnline system found at <https://foiaonline.regulations.gov/foia/action/public/home>. To access the documents, reference your FOIA request as EPA-R9-2015-005728.

If you have any questions, please contact Dana Barton of this office at (415) 972-3087.

Sincerely,

A handwritten signature in blue ink, appearing to read "Enrique Manzanilla".

Director, Superfund Division
